

# Hi OSM People ,

I'm sharing some **valuable resources** that really helped me in my preparation journey — I hope they help you too and add value to your learning path. ✨

---

## LinkedIn Profiles Mentioned in My Video

- [Shalini](#)– Microsoft
  - [Thrisha](#)– Infosys
- 

## DSA (Data Structures & Algorithms)

### Before You Begin

Make sure you're comfortable with the basics of any programming language like **Java** or **C++**.

---

#### ♦ Striver's A-Z DSA Sheet

This is one of the most popular and beginner-friendly resources to get started.

→ [Striver A-Z Sheet](#)

---

#### ♦ Kushal Kushwaha's Recursion Playlist

Recursion is a critical and often challenging topic. I personally struggled with it for over 20 days. His playlist offers better understanding than most others.

→ [Recursion Playlist](#)

---

#### ♦ Aditya Verma's Playlists

These are **gems** for understanding key concepts like:

- Sliding Window
- Stacks
- Heaps

Beginner-friendly and explained in a very intuitive way.

→ [Aditya Verma Playlist](#)

---

### ♦ Daily Problem of the Day (LeetCode)

I highly recommend solving **LeetCode's Problem of the Day**.  
If you're stuck, this YouTube channel explains solutions **daily**.

→ [Daily POTD Solutions](#)

---

## Development

### ♦ Apna College (Delta Web Dev Course)

I took this course — it's **concise and precise**.

💡 *Tip: Try to get it from Telegram groups for ₹100–₹200. No need to buy at high price.*

---

### ♦ Code with Harry (YouTube)

One of the **best free courses** on YouTube. But remember:

! Don't fall into "tutorial hell". Build real projects to truly learn.

→ [Web Dev Playlist](#)

---

## Core Subjects

### ♦ OOPs (Object-Oriented Programming)

- **Kunal Kushwaha's Playlist:** Great depth and clarity
  - **Java OOPs Cheat Sheet:** Best for quick revisions
    - [OOPs Playlist](#)
  - → [Java Cheat Sheet](#)
- 

### ♦ **DBMS (Database Management Systems)**

- **Love Babbar's Playlist:** Best SQL and DBMS concepts explained
  - **SQL Cheat Sheet:** For quick interview revision
    - [DBMS Playlist](#)
  - → [SQL Cheat Sheet](#)
  - → [SQL Interview Questions](#)
- 

### ♦ **Computer Networks (CN)**

- **Kunal Kushwaha One-Shot:** CN explained with real-life examples — ideal for interview prep
    - [CN One Shot](#)
- 

### **Final Revision Tip**

Before interviews, use **InterviewBit's Cheat Sheets** for fast, effective revision of key concepts.

→ [All Cheat Sheets](#)

---

### **Final Words**

These are the **exact resources** I personally used in my preparation.

I'm **not promoting** anything — this is purely from **my experience**, with the hope that **no one wastes time searching for quality content**.

### **Let's Grow Together**

If you've come across any **other amazing resources** that helped you, feel free to **share them**, add in this doc, I will try to give access to **Everyone**, Hope you will **Don't misuse it**

 *Your contribution might help someone else immensely!*
